\*\*How To Look/Apply For Grants In Your School

Shanny Gion, Director for SMART. She will give best resources schools can use to find grants to make the dollar stretch!

\*\*Cyber Security & You!

Scott Anderson is the Technology Director of Baker Public Schools and will be discussing how to keep yourself and District safe.

\*\*Navigate the Google World

Bring your frustrations with the ever evolving Google world that we are integrating into our every day duties! He will have general topics to cover but have you questions and try to stump him!
