You “Meme” So Much To Me!

MARCH 30, 2022

A close-up, dark photograph of a car's interior. The focus is on a seatbelt buckle and a hand resting on the seat. The lighting is low, creating a moody atmosphere. The text is overlaid in white, sans-serif font.

Sometimes, I shock
myself with the smart
stuff I say and do.
Other times, I try to
get out of the car
with my seat belt on.

You call it eating 5 boxes of
Girl Scout Cookies alone.

I call it supporting young
female entrepreneurs.

So in the middle of the Civil War someone was like "you know what this country needs? A delicious steak sauce."

It turns out the
answer to my
problems wasn't at
the bottom of this
pint of ice cream,
but the important
thing is that I tried.

I'm not sure
how many
cookies it takes
to be happy, but
so far it's not
twenty seven.

just found out my car has a taco holder

Don't expect me to stop if you're broken down by the side of the road. You were offered an extended car warranty several times.

A string of Christmas lights that doesn't work is the worst. Luckily last year I put all those strands back in the bin with the good ones so I can be mad again this year.

You know 10 years from now there is going to be a standardized test with a math problem that says “ If Matt was exposed to Covid on Tuesday and had no symptoms four days later and he got it from Susie who caught it at a party three days before Matt and tested positive five days later, how likely is Matt’s little brother going to test positive on an antigen test if he tests two days after Matt tests positive?”

Today one of my 4th grade students renamed himself "reconnecting ..." on our Zoom call and pretended that he was having internet issues to avoid participating in our lesson.

Relative Importance In 2020, SO Far!!

The Most Accurate Graph I've Seen So Far During This This Pandemic!!

ME IN 2019:

IF I COULD JUST
HAVE A WEEK WITH
NOWHERE TO GO AND
NOTHING TO DO I COULD
GET MY HOUSE IN
ORDER.

ME IN 2021:

NOPE. THAT
WASN'T THE PROBLEM.

Dear friends older than 37: You don't have to put 2 spaces after the period anymore. That was for the typewriter era. You're free.

I remember the spoon's taste

**As you get older, you've
got to stay positive.

I fell down the stairs.

"Do what you want,"

DO NOT DO WHAT YOU WANT.

Just play dead.

**Who has absolutely no

My wife just stopped
and said,
"You weren't even
listening were you?"

I thought...
"that's a pretty weird way to
start a conversation?"
