

SUMMER CONFERENCE ATTENDEE INFORMATION

TUESDAY WELCOME MIXER

All New SBOs & conference attendees are welcome! ***This is also an opportunity for MASBO Mentors & Mentees to meet and connect too!*** We hope you can join us June 10, from 7:00 – 9:00pm in the Great Falls Heritage Convention Area.

MEALS

Lunches and Dinners are included for conference attendees who selected those meals in their registration. The Heritage Inn, Sleep Inn & Suites, Mainstay Suites, and Hampton Inn all provide a free complimentary breakfast to their hotel guests.

HOTEL

The Heritage Inn MASBO sleeping room block is full at this time. However, as members cancel due to unforeseen circumstances, their rooms will be added back to the block. The block expires May 26. We would suggest calling as often as you'd like thru May 26, to ask if they have rooms in the MASBO block available. You can call after 5/26 as well, to see if any additional unblocked rooms become available: 406-761-1900.

MOBILE EVENT APP

Please watch for an email in the week prior to the conference with the MASBO2025 app password. The MASBO2025 App will be your best friend during the conference. Once your profile is set up, you can create your personal schedule, find venue map, presenter/exhibitor contact information and handouts/slides for each session. If you are tracking hours for credit, you can also use your app to "check-in" to each session you attend via QR code. It will also provide MASBO feedback on sessions and conference activities. (Quick Tip: "Refresh Data" in the "My Account" section regularly, to ensure you have the most up to date information.)

CONFERENCE BROCHURE

This will include conference information, venue map, schedule and continuing ed credit form. ***It will not include printed session descriptions.***

SCHEDULE & SESSION DESCRIPTIONS

We will provide the printed schedule in our brochure. ***Our session descriptions will not be printed.*** Descriptions can be found on the mobile event app, masbo.com homepage, and various emails to attendees.
